

International Environmental Award

Green Key

**Art Hill Eco Villas
Halkidiki**

Valid until April

2023

Green Key is an eco-label for tourism and leisure establishments and is awarded to establishments that fulfil a list of environmental requirements. Obtaining Green Key demonstrates the establishments' efforts to develop an environmental friendly, sustainable and responsible business.

Η μονάδα έχει βραβευθεί με το Green Key, ένα οικολογικό σήμα ποιότητας για εγκαταστάσεις τουρισμού και αναψυχής. Απονέμεται σε εγκαταστάσεις που πληρούν μια σειρά περιβαλλοντικών απαιτήσεων. Η απονομή του Green Key αποδεικνύει την υπεύθυνη στάση της εγκατάστασης για το περιβάλλον και την κοινωνία.

What is Green Key?

Green Key is a voluntary ecolabel programme with 56 countries participating worldwide. The **Green Key** award is a leading standard of excellence in the field of **environmental responsibility and sustainable operation** within the tourism industry.

Green Key

The prestigious eco-label represents a commitment by businesses that their touristic units adhere to the strict criteria as stipulated by the **Foundation for Environmental Education (FEE)**, the international coordinator of the programme.

The **Hellenic Society for the Protection of Nature (HSPN)** the oldest national environmental NGO in Greece, active continuously since 1951, is the national operator of the **Green Key** programme. The HSPN operates all five of FEE's international programmes for environmental education, and for sustainable management in the tourism industry.

A **Green Key** stands for the promise to guests that by opting to stay in Green Key establishments, **they are helping to make a difference on an environmental level.**

Green Key includes different kinds of touristic enterprises:

-  **Hotels and Hostels**
-  **Small Accommodations**
-  **Restaurants**
-  **Campsites and Holiday Parks**
-  **Conference Centres**
-  **National and Zoo Parks**
-  **Recreational Activities**

Our aims are:

-  To increase the use of **environmentally friendly technologies and sustainable methods** of operation in order to make the most efficient use of resources.
-  To raise the levels of **environmental awareness** among guests, staff and suppliers in the hospitality industry.
-  To bring about **changes in the behavior** of people within the hospitality and tourism industry.

Why Green Key

Choosing **Green Key** accommodation reduces your environmental footprint without compromising comfort and quality.

Green Key ensures:

Trustworthiness - Transparency

A frame for sustainability - Cost reduction

Acknowledgement - International recognition

All applications are reviewed by the **National Jury Committee** which includes the:

- **Hellenic Society for the Protection of Nature**
- **Ministry of Tourism**
- **Hellenic Chamber of Hotels**
- **Hellenic Hotel Federation**
